ABOUT US

INTRODUCTION

Jumuia Hospitals is a leading state-of-the-art faith-based healthcare network in Kenya committed to providing high-quality, affordable, integrated Christ-centred healthcare and accessible medical services. The hospital group operates as the healthcare arm of the National Council of Churches of Kenya.

Through strategic partnerships, advanced medical infrastructure, and a strong faith-based ethos, Jumuia Hospitals plays a pivotal role in strengthening Kenya's healthcare system and advancing a vision of care that is accessible, dignified, and centered on the holistic well-being of every patient.

ABOUT US

BRANCHES

Headquartered in Nairobi, Jumuia Hospitals operates two facilities: **Jumuia Hospital Huruma,** a 175-bed facility located in Nairobi County, and **Jumuia Friends Hospital Kaimosi**, a 100-bed facility in Vihiga County.

The network was established with the vision of transforming healthcare delivery through the provision of globally competitive medical services grounded in Christian values - Integrity, Compassion, Accessibility, Respect and Excellence. It brings together experienced healthcare professionals, modern medical technologies, and a patient-centered approach to deliver comprehensive services spanning preventive and outpatient care to specialised diagnostics and treatment.

Beyond clinical care, Jumuia Hospitals demonstrates a strong commitment to community health promotion through medical outreach programs, research, and healthcare training, thereby contributing to the enhancement of healthcare quality and access.

CEO'S MESSAGE

At Jumuia Hospitals, we are driven by a commitment to provide accessible, affordable, high-quality, and integrated Christ-centered healthcare services that uphold the dignity and well-being of every patient we serve.

As the healthcare ministry of the National Council of Churches of Kenya (NCCK), Jumuia Hospitals has continued to grow into one of Kenya's leading faith-based healthcare networks, guided by our core values of Integrity, Compassion, Accessibility, Respect, and Excellence (ICARE).

Our network currently operates two major facilities: Jumuia Hospital Huruma in Nairobi County and Jumuia Friends Hospital Kaimosi in Vihiga County, with a combined capacity of 275 beds. Over the years, we have invested significantly in modern medical infrastructure, advanced diagnostics, critical care services, surgical capacity, renal services, maternal and child healthcare, emergency medicine, and specialized clinical services in order to respond effectively to the evolving healthcare needs of our communities.

At Jumuia Hospitals, we believe healthcare goes beyond treatment. We are committed to holistic healing that integrates clinical excellence with compassion, ethical service, and community outreach. Through strategic partnerships with insurers, corporates, development partners, faith-based organizations, and healthcare institutions, we continue to strengthen healthcare access and quality for patients across Kenya.

Our dedicated team of healthcare professionals works tirelessly to ensure that every patient receives safe, responsive, and patient-centered care supported by innovation, professionalism, and continuous improvement.

As we look to the future, our focus remains on strengthening specialized healthcare services, expanding access to quality care, enhancing operational excellence, and contributing meaningfully to Kenya's Universal Health Coverage agenda.

We remain grateful to our patients, partners, staff, and stakeholders for their continued trust and support as we continue building a healthier and more compassionate society.
